

COVID-19 HEALTH & SAFETY

Philanthropy Southwest considers the safety of all those on-site at the 2022 Leadership Summit our top priority. Our COVID-19 Health & Safety Commitment is a living document that will continue to evolve based on current CDC guidelines, incorporating innovative features that will further enhance the on-site experience and safety for everyone in attendance. We believe it is vital for our community to remain appropriately and reliably informed on COVID-19 as it relates to the Leadership Summit. In addition to following the Centers for Disease Control and Prevention (CDC) guidance, we are working closely with La Fonda on the Plaza and monitoring new orders, regulations and guidance issued by federal, state, and local governments, so that we may remain diligent in securing the health, safety, and security of all our attendees.
