MEMBERSHIP

Texas Child Welfare Funders (TCWF) is a peer group of Philanthropy Southwest (PSW). It is a community of funders that collaboratively aligns the work of members and keeps them engaged in and informed about child welfare matters across Texas.

It encourages membership in PSW but does not require it. TCWF members currently do not pay dues. Members' donations have covered the annual administrative costs to date.

For more information about becoming a member of our mailing list, contact Membership Chair Amanda Finney at amandafinney@kingfoundation.com.
