LEADERSHIP OPPORTUNITY

Executive Director

Level Pathways protects, prepares, and positions students experiencing homelessness for their future. We seek an Executive Director to lead the organization's next chapter of safe, student-centered service, sustainable growth, and community partnership.

The Executive Director serves as chief executive and works in partnership with the Board to set strategy, safeguard program quality, strengthen revenue, steward finances, lead staff and volunteers, and represent Level Pathways throughout the community. The successful candidate will bring evidence of nonprofit leadership, fundraising and donor stewardship, sound financial and operational management, collaborative people leadership, and excellent judgment in work involving young people and confidential information.

Priority outcomes in the first year include strengthening financial sustainability; building clear, measurable program goals; deepening school, housing, donor, and community relationships; supporting staff and volunteers; and maintaining rigorous safeguarding, ethics, and compliance practices.

Application Details

Submit (1) a résumé (2) a cover letter addressing mission alignment, fundraising results, and operational leadership, and (3) responses of no more than 250 words each to two questions: "Describe a time you strengthened services for young people facing instability," and "Describe a fundraising or revenue strategy you led and the measurable result."

Applications received by 5:00 p.m. CT on or before November 15, 2026, receive priority consideration. Send materials to **jamisondiversified@gmail.com**.

Level Pathways is an equal opportunity employer and will provide reasonable accommodations during the selection process.
